CUSTOM LOCATION WAIVER FORM

We know your Wedding Ceremony or Vow-Renewal is a special occasion and of utmost importance on your Big Day! We strive to know every inch of the Beach Locations in which we serve, however on occasion couples will request a 'Custom Location' accompanied by an increased setup fee (\$250+) with additional requirements, restrictions, permitting, and/or approval by the Owner of the Facility/Hotel/Condo/Townhouse/Property, etc.

This waiver states that the client below has contracted with an outside location termed 'Custom Location' for his/her wedding ceremony or vow-renewal. Gulf Beach Weddings LLC is operating in a setup / takedown and coordination capacity. The client has waived the following and is responsible for and must obtain:

- Written Approval from the Property Owner, explicitly giving permission for a Special Event (Wedding Ceremony and/or Vow-Renewal). Please submit to Gulf Beach Weddings staff via email or hard copy to our Physical Office address.
- All Permitting Associated: City, County, State, Federal, and Municipalities often require permits for custom locations and private property with an applicable fee attached. Therefore, approval by the City, County, State, Property Owner, and/or Municipality in the required format is prescribed.
- Parking must be provided for all Vendors. Privacy, Contours, Access, Vegetation, Permission, Turtle Nesting Season, etc. are responsibility of said client.
- The PA System is provided however, a microphone can be requested by the couple direct (50 Guests or more). Most municipalities are subject to a '50 Foot' rule for amplification.
